Thoughts by Father Jonathan Davis
During the Month of the Holy Rosary let us meditate upon some quotes on the Holy Rosary. Sister Lucia dos Santos of Fatima said, "The Most Holy Virgin in these last times in which we live has given a new efficacy to the recitation of the Rosary to such an extent that there is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families...that cannot be solved by the Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."

Dom Columba Marmion, in his book Christ the Ideal of the Priest says "Here is an example to help you understand the efficacy of the Rosary. You remember the story of David who vanquished Goliath. What steps did the young Israelite take to overthrow the giant? He struck him in the middle of the forehead with a pebble from his sling. If we regard the Philistine as representing evil and all its powers: heresy, impurity, pride, we can consider the little stones from the sling capable of overthrowing the enemy as symbolizing the Aves of the Rosary. The ways of God are entirely different from our ways. To us it seems necessary to employ powerful means in order to produce great effects. This is not God's method; quite the contrary. He likes to choose the weakest instruments that He may confound the strong: "God chose what is weak in the world to shame the strong — Infirma mundi elegit ut confundat fortia" (1 Cor 1:27). Have you not often met poor old women who are most faithful to the pious recitation of the Rosary? You also must do all that you can to recite it with fervor. Get right down, at the feet of Jesus: it is a good thing to make oneself small in the presence of so great a God."

"Say the Holy Rosary. Blessed be that monotony of Hail Mary's which purifies the monotony of your sins!" -St. Josemaria Escriva
